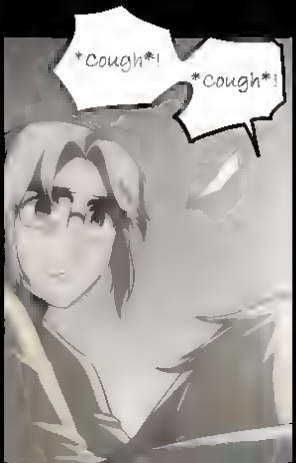
Grandma,
I'm home.

Henry, where is your scarf? It's been very cold lately.
Ah... I lent it to a friend.
Oh boy... You'll catch a cold.
I'm fine. I've been keeping myself warm properly.
I'm going to prepare dinner.
Okay. I love you, grandma.

Henry Bell
That's the name of this person

To be more precise that's the name of the human which died 5 years ago

Koh,



cough!
cough!

It can't be...!
Miss, a moment please!
?!
cough!
cough!
cough!

Cough...!
!!Haaah...!!

Changing shells is very easy.

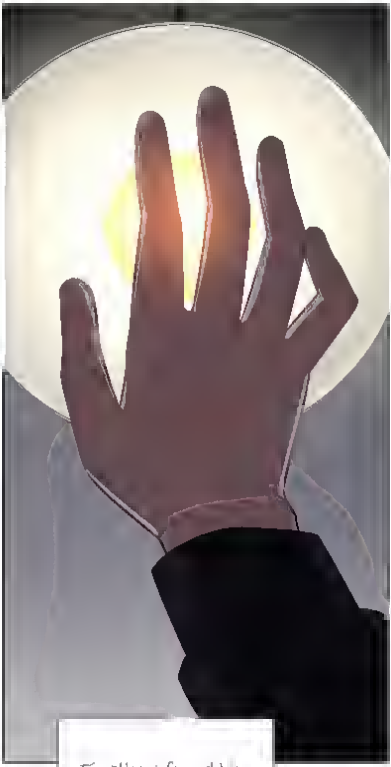
Like this, I've been going from shell to shell...
How many times have I changed bodies?

I'm sick of it already

Of looking for a new shell

And living as being that shell

But...



Finally, I found him again.

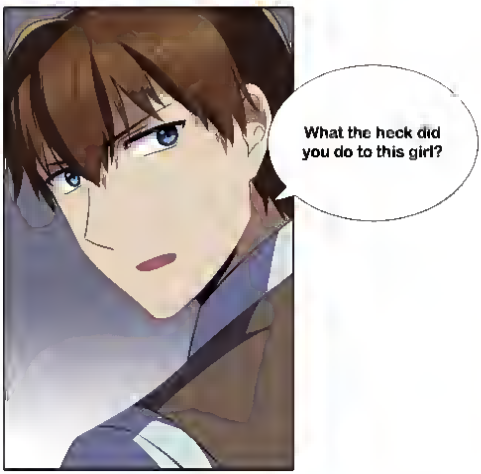
A unique and incomparable body from which it's not necessary to move to another empty shell.

This angel

At last.

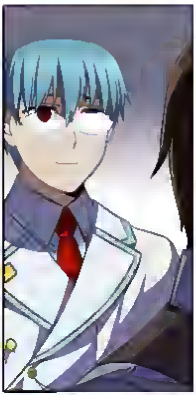
I've found it

I can't find anything serious, I think it's because of too much stress



What the heck did you do to this girl?

Nothing.
Nothing? And why did she faint after seeing you?



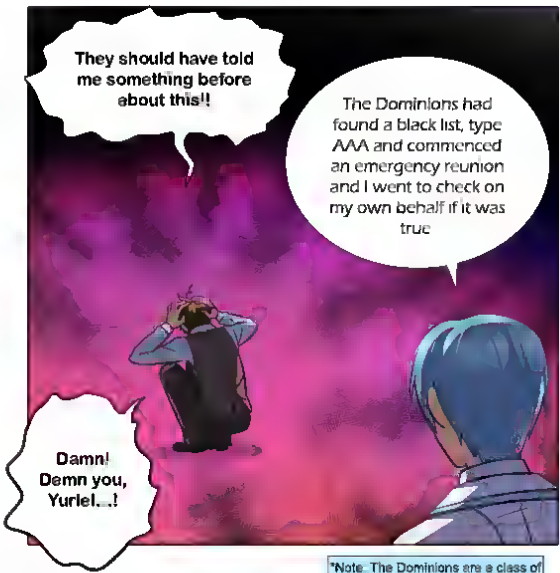
...Sophia Catterall is a "black list"

That's all I know

You know the meaning of the "black list" then don't you?
'Anything that affects or harms the angels'.
That's right.

And this human is an...

AAA



They should have told me something before about this!!
The Dominions had found a black list, type AAA and commenced an emergency reunion and I went to check on my own behalf if it was true
Damn! Demn you, Yuriel...!

*Note: The Dominions are a class of angels. There's going to be a detailed explanation about them soon

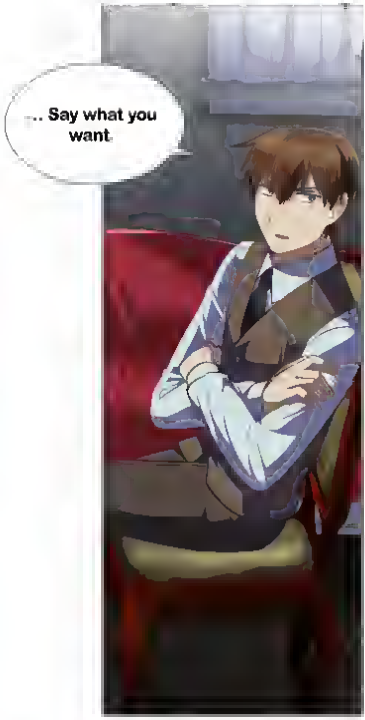
Usually they appear in any form except from a human.
So, this time it means trouble for you, right?

For now, not so much. We're going to set her free for a while.

I won't let a human
Die in front of me

[Hahaha!
You haven't changed at all, Sandalphon

That's why you're defective



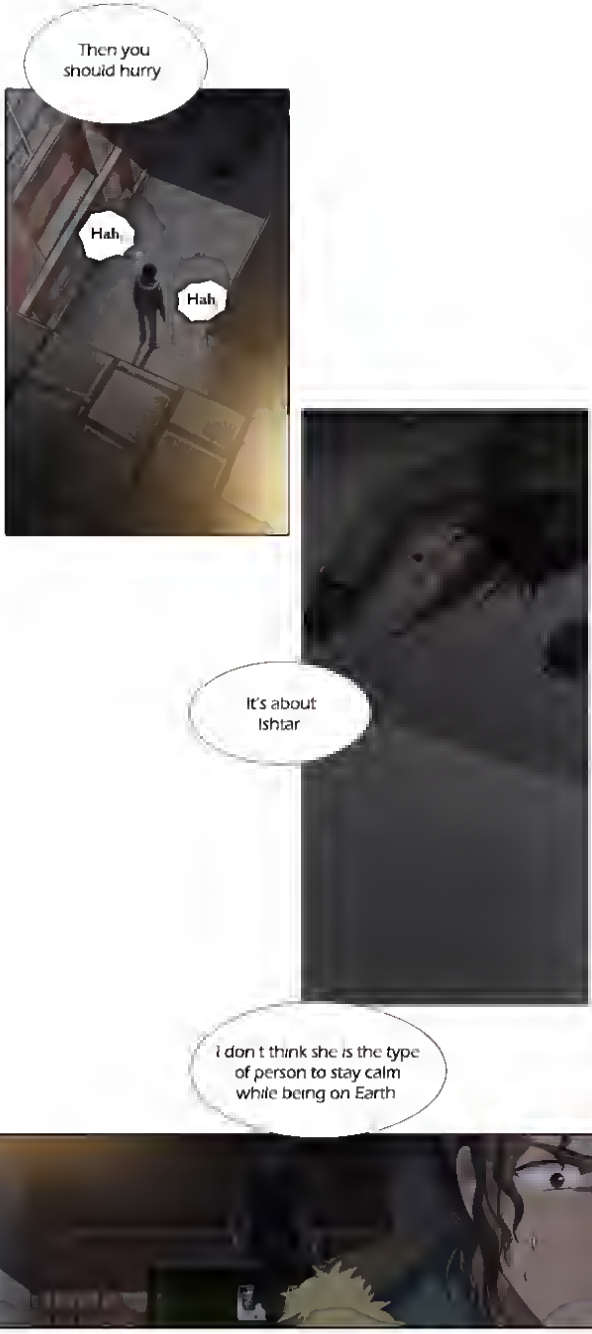
... Say what you want.

I'll keep watching you, since this is getting funnier with the time.
Bah. Thank you so much.

Well, if the black list shows this much rejection to me,
I think it will be impossible for me to intervene
You finally noticed? Give up then and go back to where you came from.
Fine, I get it. I'll stop disturbing for today

Ah Sandalphon

You said that you didn't want to see humans dying, right?



Then you should hurry
Hah
Hah
It's about Ishtar
I don't think she is the type of person to stay calm while being on Earth
